## Colad Hand Cleaner Special - Refill 4 L

Remove daily soiling from your hands in a quick and easy way!

A powerful, professional and solvent-free hand cleaner for use in the automotive and metal working industry. This soft paste with natural walnut shell scrub removes grease, brake fluid, lubricants, cement, ink, tar, bitumen, lime dust and other heavy daily soiling in an instant while moisturising the skin. This Refill fits perfectly in the Colad Dispenser for Hand Cleaner (Art. no. 8270) that can be attached to the wall. The Dispenser helps you distribute the correct amount of product in a convenient way. This ensures that you get approximately 800 doses of hand cleaner.

**Use:** Rub a small amount of hand cleaner into your dry hands until the dirt loosens. Rinse off with water and dry your hands thoroughly.
