## Colad Hand Cleaner Extreme - Pump Can 4 L

Remove extreme soiling from your hands in a quick and easy way!

A high performance, solvent-free hand cleaner for use in body repair shops, aerospace, construction and paint processing. This hand cleaner is based on di-basic esters and natural walnut scrub. Easily removes extremely heavy dirt such as 2K adhesives and paints, polyurethane, lacquer(vernish), epoxy and polyester. The pump can distribute the correct amount of product in a convenient way, ensuring that you get approximately 800 doses of hand cleaner.

Use: Rub a small amount of hand cleaner into your dry hands until the dirt loosens. Rinse off with water and dry your hands thoroughly.
