## Colad Tool Trolley - 5 drawers

Modular mobile tool trolley with 5 drawers, a lock and 4 sturdy wheels with brake function. Per piece.

Convenient storage for your products and equipment!

The Colad Tool Trolley is your partner on the work floor. This spacious, five-drawer modular trolley provides convenient storage for your products and/or equipment. It is equipped with four sturdy wheels and two casters with brakes, making the cart suitable for use on all kinds of floors. With the integrated locking system, you can easily lock the trolley in one movement. Only one drawer can be opened at a time while in use, preventing the trolley from tipping over. The drawers are also held in place when completely closed. This prevents the drawers from opening when the trolley is being moved – even when the trolley is unlocked.

Customise your Tool Trolley

Both sides of the trolley are equipped with a 9.0 x 9.0 x 38 mm grid panel, making it easy to add various accessories available from the Colad accessories range.

### Features

- Integrated locking system (central)
- Tip-over protection
- Five spacious drawers: 1x 75 mm and 4x 154 mm
- Ball bearing slides
